Requires Meet & Greet

More than 50% of the pet dog population will not succeed in or enjoy large group off-leash daycare. Maui Pet Resort Day Camp was designed with those dogs in mind: an exciting new option for dogs who need more than what traditional dog daycare can offer! A day at Maui consists of individualized enrichment activities, small group socials if eligible, physical exercise, rest breaks, and mental stimulation allowing dogs to have a fun day burning excess energy away from home.

Includes:

Daycare Enrichment (2)
